## Notes

"Yes" denotes which classes the Judge is eligible to judge.

The date shown in some cases in the appropriate column indicates when the judge was first appointed to that Panel and it will be shown for the first five years after his/ her appointment. Height is also included for some Ridden Judges.

### Classification of Judges – updated November 2021

<b>Pure Bred In-Hand</b>	May judge In-Hand classes of Pure Bred Arabs, Anglo Arabs and Part Bred Arabs.
<b>Anglo/ Part Bred In-Hand</b>	May judge In-Hand classes of Anglo Arabs and Part Bred Arabs.
<b>Ridden</b>	May judge Ridden classes of Pure Bred Arabs, Anglo Arabs or Part Bred Arabs.
<b>ROJ</b>	Ridden judges denoted with PWSI may ride judge Anglo and PBA alone but must judge with a senior in-hand judge if judging Pure Bred Arabs.
<b>Conf</b>	May judge conformation for Horse of the Year Show or other Ridden Classes

To assist show secretaries ridden judges have been asked to state their required method of mounting. Although the AHS recommends that all judges use a mounting block, some judges prefer to have a leg up. Their preference is identified as **MB** Mounting Block or **LU** Leg up. Where they are prepared to use either method this is stated as MB/LU with the preferred method **highlighted**. Further clarification should be sought from the individual judges where in doubt.

**It should not be assumed that stewards are prepared or able to "leg up" judges and where this is the judge's preferred method shows should ensure they have made arrangements prior to the event.**

# ARAB HORSE SOCIETY SMALL SHOWS SCHEME

The Arab Horse Society is very keen to encourage the many small shows across the UK to become affiliated to the Society. In the past, show organisers have told us that they would like their shows to be affiliated but they are unable to find judges in their area who can cover both the in-hand and the ridden classes. The Society has developed a scheme that will allow more shows to affiliate. The scheme will allow the shows, and the exhibitors to have the benefit of the high-quality judges on the AHS Judges Panel and the use of Society rules.

This is a closed scheme involved expanding the existing Judges List to allow ridden judges to judge in-hand classes, and in-hand judges to judge ridden classes from the ground, at affiliated shows that fit a set criteria.

Criteria for shows to be able to appoint a judge from the list:

Not to be

- an ECAHO Show,
- a HOYS qualifying show,
- Previous year entries are not to have exceeded **thirty** horses across all Arab classes.

**The following judges are participating in this scheme – please see the main entry for their contact details. (Judges with a \* and bold type are able to judge all three sections at any AHS Affiliated show and, along with those on the main ridden list may ride the exhibits).**
